The Placement Test uses Accuplacer for the English Placement Test and Aleks for the Math Placement Test.

- You need to take the English test if you scored below 470 on the ERW section of the SAT
- You should take the Math test if you scored below a 580 on the Math section of the SAT
- There's an ELI test for English-Language Learners

Know Before You Go

- Current **photo identification is required** for all testing (school ID, driver's license, etc.).
- Bring your CLC Username, Password, and ID number!
- When you arrive for testing, please **allow plenty of time** to finish your exam:
 - You must start Placement Tests *at least* 2 1/2 hours prior to close. For example, if the office closes at 9 p.m., you need to be present and ready to begin your exam by 6:30 p.m.
 - **All exams** are collected 1/2 hour prior to close.
- **Exams will only be started when allotted time is available. Start times are at the discretion of Testing Center staff.** If you need help estimating the time needed for your exam, please contact the Testing Center at the phone number above.
